JACK TAYLOR WILL GO TO OLYMPIC MEET MAY 24

HAS MADE GOOD SHOWING DURING THE PAST FEW MONTHS.

Waco, Texas, May 19—Earle (Mule) Frazier, who recently participated in hurdle races at the Kansas and Pennsylvania relaps and at a number of smaller meets between between Texas and Pennsylvania, is preparing to leave for New Orleans about May 23 when he will take part in the Southwestern Olympic trials. With him will go Jack Taylor, of Cameron, freshman discus star of Baylor University who has achieved nation-wide fame for his ability as a hurler of the plate during the last few months. Frazier was unable to be a member of Baylor's track team this year on account of a year's work in foot ball at A. & M. College of Texas, from where he came to Baylor.

Frazier is familiarizing himself with the 400-metre hurdles, which cost him first place in the Kansas and Penn meets. In an exhibition race with Riley, the Illinois Athletic Club star, at Kansas, Frazier broke his stride near the end of the race and the I. A. C. star fainted across the tape for a win. At the Penn meen, Frazier was fourth in the first day's races, in which again was defeated by Riley. On the second day of the Penn meet, while Olympic officials were marveling at his speed and stride, Frazier tripped on the hurdles and fell. He is a former Hillsboro, Texas, resident.

Taylor, who has hurled the discus as far as 153 feet, is now throwing the steel plate from 140 to 145 feet in practice. He hopes to be able to equal his best record at the New Orleans trials.

Frazier never has had any difficulty in winning at the New Orleans trials, although this will have been Taylor's first attempt to make the Olympic team.

SCHOOL TEACHER INJURED IN AFFRAY.

Mr. P. C. Edwards, teacher at North Elm, was painfully injured in a cutting affray which occurred after the graduating exercises at North Elm last Saturday night.

It is reported that some time ago Mr. Edwards chastised a pupil named Reynolds, and that Arthur and Burt Reynolds, brothers of the boy, engaged in an affray with the teacher as a result of feeling growing out of the whipping. The Reynolds brothers have given bond on a charge of aggravated assault. Mr. Edwards was taken to the Cameron Hos-pital, and his wounds dressed. At last accounts he was well on the road to recovery.

R. L. HOPKINS, PIONEER CITIZEN, PASSES AWAY

HAD LIVED IN MILAM COUNTY FOR OVER HALF A CENTURY.

R. L. Hopkins died Monday afternoon at the home of his daughter, Mrs. R. W. Stedman with whom he has made his home for the past 5 years. Mr. Hopkins had been in poor health for more than a year, and less than two weeks ago was stricken with pneumonia, and the end came peacefully Monday afternoon. Mr. Hopkins was born in Perry county, Ala., Aug. 16, 1845. He was the youngest of the 13 children of Susan and Lambeth Hopkins. He was married to Miss Jennie Woolley, Nov. 25th, 1868, and to this union was born 8 children, vis: Mrs. R. W. Stedman of Cameron, Robt. W. Hopkins of Buckholts, Mrs. Henry Roundtree of Lott, John Hopkins of Oklahoma City, Mrs. Emmett Rickard, and Mrs. B. Watson of Quannah.

Mr. Hopkins moved to Texas in Jan. 1870, locating on Elm Creek near Buckholts where he lived until the death of his wife 12 years ago. He united with the Methodist church at the age of fourteen and lived a consistent member, his membership being at Buckholts where he worshiped until he came to Cameron to live with his daughter.

Mr. Hopkins was a Confederate soldier, having enlisted at the age of 17 in the 20th Ala. Reg. Co. F. He was captured and held prisoner for six months after the surrender at Camp Chase, Ohio.

It has been truthfully said of "Uucle Lam" as he was familiarly known, "he was a good soldier, a Christian gentleman and a true friend." He was loved by all who knew him. The beautiful floral offerings and the loving thoughtfulness of friends and neighbors bore evidence to the esteem in which he was held.

He was buried at Buckholts Tuesday morning.

Besides the children mentioned above, he is survived by one sister, Mrs. John P. Woolley of Cameron.

Mrs. Jamison and children of Temple are guest this week in the home of Mr. and Mrs. D. H. Slaughter.

CAMERON FIRE BOYS RETURN VICTORIOUS

The Racing Team of the Cameron Volunteer Fire Department came home from the State Convention held in McKinney last week, bringing the bacon with them.

In the reel races, in which eleven teams were entered, Cameron tied with Belton for first place, making the race in 25 1-5 seconds. Rather than run off the tie, the two teams divided the first and second prizes, each team receiving $500.

The Cameron delegation was composed of Joe B. Lindsey, captain, Roy Weems, plugman, J. R. Crawford, plugman, Billie Marek, nozzleman, Frank Richter hose braker, Pete Kuntz, Ben Reichert, Joe Richert A. Baggett, Fred Childress, Fred Young, Jack Hearrell, W. L. Wilson, Fred Young, Wilbur Crawford, mascot, Mrs. Billie Marek, sponsor.

The team desires through the medium of the Cameron Herald to thank the business men of the town for the financial assistance given them, making it possible for the team to attend the convention and win the honor.

Cameron is proud of her Fire Department.

Salty Singing Convention Has Large Attendance

TheSalty Singing Convention met Sunday in the Cameron Methodist church and the attendance was estimated to be about two thousand people from Milam, Lee, Leon, Bell and Williamson counties, and some came from a greater distance.

The Convention meets quarterly and at the last meeting which was held at Pleasant Hill an invitation from the Cameron Lion's Club was extended by Judge John Watson to hold the next session in Cameron and it was in response to this invitation that the concourse of people who were here Sunday assembled.

Comfort Committees had all things in readiness for the guests when they began to arrive about 9:30 Sunday morning.

The Convention was called to order by the president, A. J. Jackson at 10 a. m.

On behalf of the City of Cameron at the request of Mayor Judd Davis, Hon. Paul Webb, City Attorney, welcomed the convention to Cameron in a most felicitous address which put all present in full accord and harmony with the meaning and purpose of the occasion.

Singing classes from Salty, Concley, Tanglewood, Lexington, Shiloh, Forest Grove, Pleasant Hill, Pleasant Retreat and Cameron were present and the assignment committee assigned to each a place on the program.

Representatives from various music houses were present and some splendid music was rendered by them.

Prominent among these were Messrs J. W. Deserens and James W. McDonald Evangelistic singers of Killeen, Texas, and representatives of the Trio Music Company of Waco, Texas, whose song book "Crown's of Glory" was quite popular with the singers.

Another singer of note was Leonard A. Gordon of the Quartette Music Company of Ft. Worth, Texas. He sang two solos "When the Mists Have Cleared Away" and in the afternoon by special request, "The Holy City." Under his direction the great convention crowd sang with much enthusiasm some old time gospel melodies.

Prof. and Mrs. J. H. Carr of Temple were here. The Carr Quartette has been heard in Cameron several times and is deservedly popular. This quartette represents the Central Music Company of Temple, Texas, and the song book they use is "Joy to the World." On Sunday Messrs. J. H. Carr, Robert Arnold, Alpha Vandever and Reginald Beaty delighted the conventions with several beautiful numbers and they were repeatedly encored.

The little girls and boys class from Salty led by Clarence Jackson rendered one of the most popular numbers on the program.

Two little girls about ten years of age Misses Alexander and Lewis from Forest Grove sang a sacred duet which was complimented very highly.

The Leon County Quartette representing no outside interest save Leon County good fellowship were here in response to invitation and delighted all hearers with several splendid vocal numbers.

A business session was held and W. W. Kyle reported for the Book Committee that the choice of song books should be left to each class as heretofore.

Forest Grove was selected as the next meeting place and on the third Sunday in August the convention will hold its next session with the Forest Grove Class.

The dinner served by the Cameron people at the City Park was abundant and sumptuous. Baskets of delectable eatables from the hospitable homes of Cameron were served on long flower decked tables and these baskets of good things were supplemented by barbecued beef and great trays of bread. Paper plates and cups and napkins were conveniently placed an each visitor was made cordially welcome at lunch time.

The Robert McLane Grocery Company representing locally the Cheek-Neal Coffee Company of Houston served free ice tea and this feature was thoroughly appreciated by the visitors.

Among the contributions to the dinner was a bowl of potato salad made and decorated by Mrs. W. I. Clark moulded as a man's head having hair and beard of egg yolks, eyes of stuffed olives, ears of onion pickles, and ruby lips of beets bearing a cauliflower cigar.

Another work of decorative art was a great bowl of sliced ham decorated with slices of cheese dainty cuts and shapes and heaped in the centre with a cluster of small onion pickles which closely resembled a bunch of white grapes. Wm. Stryzinek donated this to the committee These contributions with the abundant baskets furnished by the citizens made the dinner a grand success and members of the Salty citizens and members of the Salty Singing Convention expressed themselves as being delighted with the hospitality extended by the people of Cameron.

C. H. Yoe High School Students Get Diplomas Next Week

The Cameron schools will close the 1923-24 session next Wednesday, May 28, when 64 graduates will receive diplomas. The graduation exercises will be held at eight o'clock in the auditorium of the Yoe High School, and the address will be delivered by Dr. T. D. Brooks, Dean of the Department of Education of Baylor University.

At eight o'clock next Sunday evening, May 25, Dr. Jewett, director of the Texas Bible Chair of the University of Texas, will preach the baccalaureate sermon at the Methodist church.

Promotion certificates will be given to students completing the work of the seventh grade on Wednesday morning, May 28, at ten o'clock.

The schools have had a very successful year. Enrollment has been unusually heavy, and a high percentage of promotions has been recorded. With immediate prospects for a new building to house the intermediate and primary grades, and with a wide awake community interest in the schools, the educational outlook in Cameron is bright.

The graduating class of sixty four is the largest in the history of the school.

MAJ. F. B. EBBERT HEARD SUNDAY AT BAPTIST CHURCH

Maj. F. B. Ebbert, Associate Counsel for the Anti-Saloon League of America addressed a good sized audience at the Baptist church Sunday morning at 11 o'clock.

Maj. Ebbert is an able speaker and prohibition leader and his address on "The Unfinished Battle" was eloquent and timely.

On account of the Salty Singing Convention held in Cameron on this date, many were unable to hear this discussion who have the cause of prohibition at heart.

SMITH RECITAL.

The piano pupils of Robert Smith have appeared in recital twice during the past week. Mr. Smith is a popular as well as a competent teacher and instructs a large class.

As usual, his pupils acquitted themselves in a most creditable manner.

Mrs. M. B. Wilburn is here from Dallas and was present at the graduation of her daughter, Miss Jeffie Wilburn, who received her diploma as Registered Nurse from the Cameron Hospital Wednesday night.

W. E. COLEY ANNOUNCES FOR CO. TAX COLLETTOR

WELL KNOWN MILAM COUNTY CITIZEN SEEKS TAX COLLECTOR'S OFFICE.

W. E. Coley of Buckholts has announced his candidacy for the office of Tax Collector of Milam county, subject to the action of the Democratic Primary in July. The name of Mr. Coley will be found in the proper announcement column this week.

Mr. Coley is a native of Alabama, born on a farm near Marion, Perry county, Feburary 11, 1879. He moved with his parents to Texas in 1895, settling in Bell county. After four years residence in Bell, the family moved to the South Elm community in Milam county.

In 1910, Mr. Coley bought the Quince Wright Racket Store in Buckholts, added a stock of general merchandise, and continued in business until burned out in 1919. The house did an extensive credit business and as Mr. Coley did his own bookkeeping, he gained considerable business experience.

In 1921, Mr. Coley was appointed Justice of the Peace to fill the unexpired term of G. A. Weathersbee, who moved to Rogers. He was elected without opposition the next year. Two years ago he was elected School Trustee and has filled both offices faithfully.

Since retiring from the mercantile business, Mr. Coley has been engaged in buying cotton in Buckholts.

Mr. Coley feels competent to fill the office he seeks and asks the support of the people on his merits. He expects to make an active campaign and will try to see every voter personally. Many friends over the county will be glad to know of his announcement for this office.

GRADUATING EXERCISES CAMERON HOSPITAL.

On Wednesday evening in the reception hall on the first floor the faculty of the Cameron Hospital and the graduates of the Senior Class bade their friends welcome to the Commencement Exercises at 8 p. m. Flowers in abundance, the gifts of interested friends, and an enthusiastic attendance of relatives and friends of the institution from far and near combined to make the occasion one long to be remembered. The program was interesting and the social features were enjoyable. The popular members of the 1924 Class are:

Misses Lynn Ryan, Jeffie Wilburn Ruby Millard, Elizabeth Kasberg, Marie Lothshuetz.

School Board Elect Teachers for Next Term

At a meeting of the School Board last Wednesday night all teachers now in the employ of the Board were re-elected with the exception of those who of their own accord are severing relations with the Cameron Schools. There are at present only two or three vacancies in the faculty for next session.

The Board adopted a recommendation of the teachers committee fixing the qualifications of teachers in the grades and the high school. Hereafter two years training in a standard college or Normal school will be the minimum for teachers in the grades, and a degree, or its equivalent, for high school teachers. This requirement does not apply to teachers already in the system.

By order of the Board, teachers and other employes will in the future be required to furnish health certificates. Certificates of vaccination for, or immunity from small pox will also be required of all pupils, teachers, and other employes of the board.

The following teachers have been elected:

T. A. Fisher, Superintendent.
J. B. Preston, Principal.
L. Van Perkins, Science.
H. D. Keeling, Commercial.
Miss Amelia Williams, History.
Miss Vera Lee Moore, Spanish.
Miss Jolly Blanche Pitts, English.
Miss Mary L. Henderson, History.

MISS HELEN GREEN WINS VALEDICTORY OF CLASS

FINISHES AT HEAD OF A CLASS SIXTY FOUR IN YOE HIGH SCHOOL.

Miss Helen Green, youngest daughter of Mr. and Mrs. C. N. Green of this city, will graduate from the C. H. Yoe High School, Wednesday, May 28th, as Valedictorian of her class.

This honor which comes to Miss Helen is the result of patient and consistent effort on her part since she entered the primary grade. During her ten years of school life, she has only been tardy 1 time. A certificate granted her six years ago for diligence and punctuality is another evidence of conscientious work. She entered High School 1 year in advance of the time required, having made two grades in one term. She finishes at the head of a class of sixty four, the largest class to graduate from the Cameron Schools. The Valedictory is won by the student making the highest average during the Junior and Senior years. Miss Green's average for the two years is 96.

Miss Tina Curtis of Brenham is visiting her sister, Mrs. C. W. Read.

Proclamation

Cameron, Texas, May 21, 1924.

To the Citizens of Cameron:

In accordance with the time-honored custom, the citizens of Cameron are hereby called to assemble at the court house at 10:10 a. m. on Friday, May 30th, 1924, for the purpose of conducting Memorial Services for our honored dead who laid down their lives in the Civil War, the Spanish-American War, and the World War; and all citizens of Milam county are invited to attend and participate in the services and all citizens are requested to close their places of business between the hours 10 and 11 a. m. on said date.

Witness my hand at the Mayor's office in the City of Cameron, Texas, this 21st day of May, 1924.

JUDD G. DAVIS, Mayor.

Attest—R. D. BROWN, Secretary.

Preaching Sunday morning at 11 o'clock by pastor.

No service at night on account of Baccalaureate Sermon at Methodist church.

JUDGE FELIX ROBERTSON DELIVERS SPEECH HERE

ABOUT 150 CITIZENS HEAR DALLAS CANDIDATE FOR GOVERNOR SATURDAY.

Judge Felix D. Robertson of Dallas, candidate for Governor, addressed about 150 citizens in the District Court room Saturday night. The meeting was opened with prayer by Rev. J. S. Huddleston, of the Methodist church of Buckholts, and Dr. John L. Denson introduced the speaker in a graceful address, praising his war record and endorsing his candidacy.

Judge Robertson reviewed his record as Police Judge and District Judge in Dallas, and told his hearers that he had been called "the praying judge," "the honest judge," "the dollar-a-mile judge" and "the hard-boiled judge." Discussing campaign issues, he did not promise any tax reduction, but stated that if the hidden values of the state could be found and taxed, the rate of taxation could be materially reduced. He devoted considerable time to law-enforcement, stating that he was opposed to mob law in all its forms, and stated that, if elected, he would pay particular attention to the enforcement of the prohibition laws.

Memorial Day Will Be Observed In Cameron

Giant Turbine Is Installed at Niagara

Water, pouring at the rate of 3,500 cubic feet a second on the giant turbine of the recently completed 70,000-horsepower hydroelectric unit of the Niagara Falls power company, does work that would require 700,000 tons of coal annually if the energy were generated by steam. So efficient is the generator, said to be the largest in the world, that it uses no more water than was required for seven 5,000-horsepower units formerly, and yet delivers energy equivalent to that produced by fourteen of them. Specially designed cars were required to haul the castings for the turbine, the revolving elements of which weigh approximately 500 tons. Nearly 93 per cent of the efficiency of the water is gained through the fine adjustment of the parts. Another similar unit is being installed and the completed project will house units with a total rated capacity of 454,000 horsepower. Water is to be supplied from the rapids above the falls, for this and proposed units, through a hydraulic pressure tunnel, thirty-two feet in diameter and 4,300 feet long.

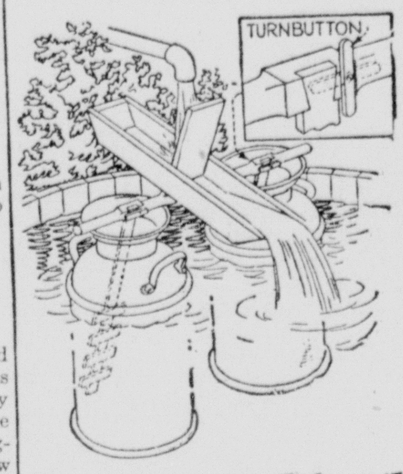
Heart Tissue Is Still Alive after Twelve Years

Preserved in a fluid that supplies food for its cells, a piece of chicken's heart has been kept beating for twelve years by Dr. Alexis Carrel in his laboratory at the Johns Hopkins university. The fragment's twelfth anniversary in its "new life" occurred last January. The tissue was transferred directly from the beating heart of the fowl to the fluid.

Simple Device Stirs Milk While Cooling

Fresh milk is often stirred in order to cool it, and this is usually done by hand, which is a slow and tiresome task. A simple device for doing the work automatically by water flowing into a tank, as shown in the drawing, can be made by any farmer from materials that are available everywhere.

The device consists of a shallow box, made of 1-in. pine boards. The ends are sloping and the box is divided into two equal parts by a board extending vertically in the center about 8 or 10 in. above the sides. The box is mounted at its center on a wooden axle, and a stirring paddle is attached to each end as indicated. These paddles are made from laths, planed smooth, and having a number of short crosspieces nailed on. In use, the milk cans are placed in the water tank and the stirring device arranged as shown in the drawing, the rocking-box being located under a water pipe so that the water first flows into one side and then into the other side alternately. As soon as one side of the box is filled the weight of the water causes the box to tilt over, and the other side of the box is then filled.



WILLIAM TELL HEFLEY ACCEPTED FOR WEST POINT.

The appointment of Wm. Tell Hefley, Jr., for West Point Military Training School has been confirmed by the War Board, as indicated by the following telegram: "Washingtin, D. C., May 17, 1924, W. T. Hefley, Cameron, Texas, War Department advises your son accepted for West Point."

LUTHER A. JOHNSON, M. C."

Wm. Tell Hefley, or "Billie," as he is familiarly known, is the oldest son of Mr. and Mrs. W. T. Hefley of this city. He descends from an early Milam county family, being a grandson of the late Wm. Vance Hefley.

He was born in Cameron, and began his education in the city schools, graduating from Yoe High in summer of 1923, having finished the high school course in three years.

Following the completion of his high school work, he entered Texas A. and M. College in the fall of 23 and will finish the Freshman course in June.

He was recommended for appointment to West Point shortly after entering A. and M., the recommendation being based on scholarship and rating as a student.

After the close of school, he will come home for a short vacation and will leave about the first of July for West Point.

Austin, Texas, May 21.—Supt. Bonner Frizzell, of the Palestine High School has been made director of the summer normal of the University of Texas for the current year. Mr. Frizzell succeeds Norman Crozier, of Dallas, who resigned recently because of his appointment as superintendent of the Dallas schools.

Mr. Frizzell is a graduate of Texas Christian University with the bachetor of arts degree, and a graduate of Columbia University with the bachelor of science degree. He has taught in A. and M. College, and has been superintendent of the Palestine schools for the last five years.

T. W. (WHIT) DAVIDSON SPEECH

On account of the big T. W. Davidson Rally which will be held in Waco on the evening of May 26th, Mr. Davidson's engagement to speak here on the afternoon of that day has been cancelled. Mr. Davidson has asked that as many as possible of his friends from Milam county attend the rally at the Auditorium in Waco at 8:00 p. m. on May 26th. He will make another engaement and speak in Cameron in the near future. Ample advance announcement will be made so that the public will not be disappointed.

HOW VETERANS OF WAR MAY FIGURE UP HOW MUCH THEY HAVE COMING THRU MEASURE

Washington, May 20.—A veteran may determine the amount of his bonus this way:

Figure up the number of days of service. For each day of home service above the first 60 days $1 will be allowed in adjusted service credit, and for each day of overseas service, above 60 days $1.25 will be given.

If this adjusted service credit doesn't amount to more than $50, it will be paid in cash. Otherwise an insurance policy will be given. The approximate value of this policy may be determined by adding 25 per cent to the amount of credit due, and multiplying the total by about 2 1-2.

Thus if a veteran served 400 days at home after the first 60 days he would be entitled to a policy valued at $400 plus $100, (25 per cent of the amount) multiplied by 2 1-2, or $1,250.

GRAMMAR SCHOOL ENTERTAINMENT.

Grammar School evening on Tuesday evening in the Yoe High Auditorium called together a great crowd of interested parents and friends of those who furnished the program.

The evening was stormy, but despite weather conditions the program was enthusiastically received.

The proceeds of the evening amounting to approximately one hundred dollars will be used to replenish the school library.

The faithful teachers of the Grammar school deserve much praise for their enterprise and the children also who took part on the program.

NEW FURNITURE FOR COUNTY CLERK'S OFFICE.

County Clerk Roark is wearing a broader smile than usual because of recent changes made in his office equipment.

The Commissioners Court recently authorized the purchase of some badly needed pieces of furniture and County Clerk Roark has been made happy by the convenience it has brought. The installation of this modern equipment adds greatly to the appearance and convenience of his office.

In the front office filing cabinets and a long storage desk have been conveniently placed and other changes promoting the convenience of the patrons of the office have been made.

An up to date desk has been placed in the rear office for the use of the deputy who has charge of the mortgage records.

NOTICE IN PROBATE.

THE STATE OF TEXAS
To the Sheriff or any Constable of Milam County—GREETING:

You are hereby commanded to cause to be published once each week for a period ten days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Milam county, a copy of the following notice:

THE STATE OF TEXAS

To all persons interested in the estate of Texana Rucker, deceased, W. S. Reed and V. E. H. Reed have filed an application in the County Court of Milam County, on the 13th day of May 1924, for probate of the last will and testament of Texana Rucker, deceased which said application will be heard by said Court on the 2nd day of June 1924, at the Court House of said County, in Cameron, at which time all persons interested in said estate are required to appear and answer said application, should they desire to do so.

Herein Fail Not, but have you before said Court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal, at Cameron this 13th day of May 1924.

TRY SULPHUR ON AN ECZEMA SKIN

Costs Little and Overcomes Trouble Almost Over Night

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying Mentho-Sulphur, declares a noted skin specialist. Because of its germ destroying properties, this sulphur preparation instantly brings ease from skin irritation, soothes and heals the eczema right up and leaves the skin clear and smooth.

It seldom fails to relieve the torment without delay. Sufferers from skin trouble should obtain a small jar of Rowles Mentho-Sulphur from any good druggist and use it like cold cream.

OPEN NOSTRILS! END A COLD OR CATARRH

How To Get Relief When Head and Nose are Stuffed Up.

Count fifty! Your cold in head or catarrh disappears. Your clogged nostrils will open, the air passages of your head will clear and you can breathe freely. No more snuffling, hawking, mucous discharge, dryness or headache; no struggling for breath at night.

Get a small bottle of Ely's Cream Balm from your druggist and apply a little of this fragrant antiseptic cream in your nostrils. It penetrates through every air passage of the head, soothing and healing the swollen or inflamed mucous membrane, giving you instant relief. Head colds and catarrh yield like magic. Don't stay stuffed-up and miserable. Relief is sure.

Evans' Corner

Personally, I am glad that Gov. Neff rejected the presidency of the State University. It never occured to me that he would accept. It occurs to me that the two gentlemen on the board of Regents who resigned, because the Board elected Gov. Neff, could have rendered a better service by remaining "hitched."

If you believe in standing "hitched," then tie onto Evans Optical department and have a good pair of lenses ground to fit you. An office well equipped, coupled with a careful examination, go to make up a pair of lenses that are comfortable.

MAKING MONEY AND MILLIONAIRES

Some men make their money in business—some in stocks—some by toilsome saving of their daily wage.

But we submit to you the unquestionable fact that more men have reached a comfortable competence through the ownership of property—LAND—which bring in a fixed income—than in any other way.

BUSINESS requires your sole attention—stocks mean sleepless nights and days of worry—property works by itself for you without your care.

SELECT IT—set it to work—it takes care of itself and will take care of YOU.

A good example of this sort of investment is found in LITTLEFIELD, TEXAS, COTTON FARMS on the South Plains.

Our land is for sale in one or more tracts at from $25.00 to $35.00 per acre, the price depending upon location. The terms of sale are, 20 per cent cash, with deferred payments payable over a period of ten years, and are subject to change without notice. The interest rate is 6 per cent. All deferred payments are payable on or before due dates. Deferred payments may be made over a period of 15 years on a part of our land which we bought on very favorable terms.

TUESDAY CLUB.

A distinctive spring-time motive was evident in the appointments of the party with which Mrs. Charles McDermott honored the Tuesday Club at her lovely home on East 23 street on Tuesday afternoon.

Easter lilies and Dorothy Perkins roses in vases and hanging baskets adorned the parlors.

Other than club members, her guests were: Mesdames T. J. Denson, Albert Triggs, John Mangum, Howard Baskin, James Watson, J W. Coleman, Giles Avriett and Miss Clara Thomas.

The table favors were rose, pink and Lavender sachets and these beautiful trophies were won by Mesdames B. F. Bonds, James Coleman and Albert Triggs.

Mrs. Giles L. Avriett and Miss Clara Thomas assisted the hostess in serving a delectable salad course.

DINNER FOR FACULTY.

On Saturday evening Mr. and Mrs. Wm. Rogers honored the lady High School teachers with a six o'clock dinner in appreciation of their interest in the daughter of the household, Miss Eloise, a graduate of this year. The living room and the music room were made beautiful by great bowls of home grown larkspur and ferns and the dining table was centered with a gorgeous bouquet of sweet peas.

Misses Vera Lee Moore, Amelia Williams, Isla Reid, Jolly Blanche Pitts the honor guests, enjoyed the following three course menu:

Shrimp cocktail, fried chicken, rice, gravy new potatoes, tomatoes with mayonnaise, candied apples salad, Bishop Whittle pudding. Corsage bouquets of sweet peas were given the guests.

Victrola music and conversation whiled away the evening.

MUSIC MEMORY CONTEST.

A music memory contest sponsored by the Cameron Music Club was held in the Yoe High school Auditorium on Thursday afternoon May 15th. This contest was open to pupils of the 5th, 6th and 7th grades and about forty pupils entered. The requirements were that contestants recognize twenty music compositions by ear and that the title of the composition and name of the author be spelled correctly in the written contest.

Miss Lemay Gibson began in February to give lessons in the Grammar school of fifteen minutes duration to pupils of the grades.

Mrs. Paul Webb, president of the Music Club presented the prizes which competent judges had awarded as follows:

First Prize, $5 cash to Cornelia Gunn, daughter of Mr. and Mrs. Dan Gunn, 7th grade pupil who made a grade of 100.

Second Prize, $3.00 cash to Geneva Dakel, daughter of Mr. and Mrs. H. L. Dakel, 6th grade pupil making a grade of 99.

Third Prize $1.00 cash to Lina Turner, daughter of Mr. and Mrs. Shade Turner, 6th grade pupil making a grade 98.

Several pupils made grades of 90 and above.

The Music Club hopes to make of the music contest an annual affair.

The principal of the Grammar school, Guy Newton, thanked the Music Club for the interest manifested and congratulated the pupils upon the results of the contest.

SHOWER FOR MISS FAVOR.

Honoring a recent bride, Miss Mildred Favor, Miss Annie Woolley was hostess on Saturday evening to the members of her Sunday school class and a few out of town friends who came bearing gifts and congratulations for the honoree. Miss Annie was assisted in hostess duties by her mother Mrs. V. P. Woolley.

The personnel of the party was as follows: Misses Zelma and Nora Adams, Mable and Lorene Wade, Hallie May Sanders, Bill Bailey, Evlyn Arnold, Mrs. J. D. Stone and Mrs. Carmichaelof Milano. Messrs. T. J. Favor, Bennie Archer, Hubert Ard, Cecil McGregor and James Gallegher of Milano and Ed. Coston of Brownwood.

Cream and cake were served and all were invited to admire the bridal gift shower displayed in the dining room.

Later in the evening the group attended the carnival.

RECEPTION FOR ROGERS' BRIDE

On Tuesday afternoon in the basement of the Methodist church in Rogers, Texas, a reception was given announcing the marriage of the pastor's daughter, Miss McGuire.

For this reception a large crowd of friends were present and a program was rendered.

Accompanied by Miss Katharine Agee of Cameron, Miss Eloise Rogers contributed a group of songs. "All for You and Absent" were the numbers given.

Mrs. Wm. Rogers, Miss Eloise Rogers and Miss Katharine Agee motored to Rogers from Cameron to enjoy this most pleasing hospitality extended by the ladies of the Rogers Methodist church.

BIRTHDAY DINNER.

A charming dinner party was given Saturday evening at seven o'clock by Miss Selma Klatt at her home on First street. This was a birthday dinner given in honor of Miss Gladys Blaylock. Just before the ice course the candles were lighted on the birthday cake. Those present were: Mr. and Mrs. Guggolz; Misses Selma Klatt, hostess; Gladys Blaylock, honoree and Grace Eplen; Messrs. Cecil Barmore, of Austin, Drayton McLane and Albert Collins.

MARRIAGE AT PARSONAGE.

Elmer Darwin and Miss Minnie Busby, both of Rogers, Texas, were married at the Methodist Parsonage, Monday, May 19, 1924, at 3 p. m., Rev. R. S. Marshall, pastor, officiating.

JUNIORS ENTERTAIN SENIORS.

On Thursday evening the Junior Class of Yoe High entertained the Seniors at the City Park with a "Kid" party. All were dressed like members of the primary class and the play ground equipment in the Park was used to make the time pass merrily. The picnic lunch provided by the Juniors was served in Cafeteria style. She occasion was one long to be remembered by the members of both classes.

PIANO RECITAL.

On Friday evening May 16, 1924, in the Yoe High School Auditorium the piano pupils of Mrs. R. P. Jeter appeared in recital. The program was so arranged and rendered that the attention of the audience was held completely to the final number.

At the close of the program Mrs. Jeter announced her retirement from the music faculty of the Yoe High School of which she has been such a valued member for three years. Her announcement was heard with deep regret by her pupils and patrons.

The following pupils of Mrs. Jeter contributed recital numbers: Misses Ola and Opal Wharton, Katherine Hefley, Vetres Kirk, Arnette Ryan, Mary Lavinia Maples, Mary Emma Thweatt, Marguerite Ford, Mary Virginia Atkinson, Cora Mae Link, Louise Atkinson, Frances White Ruth Kemp, Mary Ellen Jeter, Eloise Rogers, Loring Beard, Lily Kate Beckerman, Katharine Agee, Gussie Hubert, Mary Sue Denson, Dwight Moody, Garland Beard and Lee Roy Witte.

FORTY-TWO CLUB.

A pink and purple motif was attractively featured in the 42 party given on last Thursday afternoon by Miss Clara Thomas for the 42 Club. Dorothy Perkin roses in purple holders were clustered about the parlors and minature table baskets in the royal purple filled with the dainty pink blossoms centered each of the five tables. The table appointments featured the chosen tints and confections. A delicious salad and ice course was served after the games were over.

A few additional friends enjoyed this hospitality with the members of the 42 club.

MUSIC CLUB.

The hostess of the Music Club on last Wednesday was Mrs. A. N. Green.

The delegates Mrs. A. N. Green and Miss Beth Jeter made reports of the recent Federation of Music Clubs in Austin which were much enjoyed.

The following officers were elected:

President, Mrs. Paul Webb.
Vice President, Mrs. A. N. Green.
Secretary, Miss Beth Jeter.
Treasurer, Miss Glennie Stafford.
Corresponding Secretary, Miss Sallie Kate McLane.

Librarian, Mrs. T. C. Stafford.

Miss Lucile Dickard contributed a piano solo, and Mrs. J. C. Huddleston contributed a vocal number to the program. Mrs. R. P. Jeter rendered a group of piano selections which afforded much pleasure.

The hostess served an ice course with angel food cake.

FAVOR—COSTON.

Miss Mildred Favor and Mr. J. Ed. Coston, Jr., of Brownwood were married Saturday afternoon at the Methodist Parsonage by Rev. R. S. Marshall.

Only a few friends witnessed the ceremony which was expected to occur on Sunday morning.

The groom was accompanied to Cameron by his friend, Cecil McGregor of Cameron.

Mr. and Mrs. Coston have many interested friends in Cameron who will be pleased to hear of their happiness.

The bride is a popular young lady of Cameron who numbers her friends by the number of her acquaintances.

The groom lived here for a few months as bookkeeper for the Milam County Lumber Company and is now in the employ of the Wm. P. Carey Company at Brownwood, and his friends are legion in Cameron.

The best wishes of their friends follow them to their new home in Brownwood.

DALLAS LADY TELLS OF REGAINING HEALTH

MISS MARIE HENDERSON WAS FORCED TO REMAIN IN BED FOR YEAR FOLLOWING NERVOUS BREAKDOWN.

"Before I took Tanlac I only weighed 107 lbs. and I now weigh 140," is the remarkable statement made, recently by Miss Marie Henderson, a charming young lady 4631 Colo Ave., Dallas, Texas.

"While in high school my appetite failed, my digestion became very bad, my nerves gave way and I broke completely down. So I was forced to my bed, where I stayed a whole year, and was never able to regain my strength until I began taking Tanlac.

"Tanlac soon brought me a wonderful appetite, corrected my stomach disorders, stopped my weak, dizzy spells and made my neves as calm as nerves can be. Several years have past since Tanlac restored my health and I am still strong and well. I eat anything I want, sleep fine and feel the same way. That is how much Tanlac helped me and of course I thing it is just grand."

Tanlac is for sale by all good druggists. Accept no substitute. Over 40 Million bottles.

Tanlac Vegetable Pills, for constipation made and recommended by the manufacturers of TANLAC.

MOTHER.

The following poem was written by Mrs. J. P. Love, wife of Rev. Love, Rector of All Saints Mission, on the occasion of Mothers' Day services at the Episcopal Church. We take pleasure in publishing it with Mrs. Love's permission.

Do you wonder that our feeling
For our mother is so deep,
When you realive that life divine
Is trusted to her keep?
By each hour's prayerful tending
That behind her she may leave
(Tis God's own plan) She's hleping Him
A destiny to weave.
May God grant such light to mothers
That to children they may give
True Christian inspiration,—
True Christ-like lives to live.

MOULTON COBB ELECTED EDITOR STUDENT PAPER

HIGHEST EDUCATIONAL POSITION OF UNIVERSITY OF TEXAS.

The Herald takes pleasure in reproducing the following Associated Press dispatch from Tuesday's papers regarding the spectacular victory of our young friend and fellow townsman, Moulton Cobb:

Austin, Texas, May 19.—Pushing up from the back end of a printing office to the highest editorial position in the gift of the University of Texas is the record of Moulton "Ty" Cobb, who was elected editor in chief of the Daily Texan, student newspaper, at the spring elections. Cobb broke a record by defeating the managing editor for the position of editor, the first time this has been accomplished in the history of the University of Texas.

Moulton Cobb is also a candidate for election to the house of representatives for the coming thirty-ninth session of the legislature from his home district, Cameron. At the same time that he was conducting his campaign for editor in chief of the Daily Texan on the campus here, he was conducting a similar campaign for election to the legislature, another rather unusual accomplishment in the field of politics. If elected to the legislature, he will attend classes, direct the editorial policy of the Texan and participate in the sessions of the solons, as other university students who have been member of the legislature have done in the past. Cobb, however, will be the first student to edit the Texan and represent a constituency in the state legislature in the history of the university.

"Ty" Cobb received his nickname when he became manager of the varsity base ball team in 1921, having been a sport writer on the campus since he first came to the university in 1919. He has earned his expenses while attending the university, having missed two or three sessions since he first entered in order to make enough money to continue his education. Most of his money has been made in the "back end" of newspaper offices, where he has worked as linotype operator. Cobb started out on his father's paper at Cameron, upon which he served as printer and editor.

The news editor of the campus newspaper has traveled over most of the United States, working his way as a linotype operator on various newspapers.

Moulton Cobb, however, is not only a journalist. He has been a prominent campus debater and speaker since he entered the university, and won a gold watch in 1922 as the best orator on the campus.

Cobb has served as publicity director on the athletic council of the university this session. He is connected with several campus organizations, being a member of Sigma Delta Chi, national honorary professional journalistic fraternity, an honorary public speaking fraternity, a social fraternity, Hogg Literary Society and the Texan staff.

The profession of the printer of olden days was ranked along with such trades as blacksmithing, but not so today. "Ty" Cobb is an example of the so-called "white collar" printer of today, and he has proved his ability in the past, both as a printer and as an editor. Cobb is 24 years old. He was not in the university last year.

BUSINESS MEN'S BANQUET.

A Business Men's Banquet, sponsored by C. A. Sprott, secretary of the Retail Merchants Association and other prominet business men of the city, will be held in the basement of the Methodist church tonight. At the close of business Wednesday evening, 80 tickets had been placed for this affair and several outside guests are expected. Chief among the latter will be ten prominent business men from over the state who have been attending the 24th Annual Convention of Retail Merchants held in Tyler May 19, 29, 21. These are all live wires and will bring something new and peppy for the occasion.

Music will be furnished by the Foster Orchestra.

SENIOR CLASS PLAY.

The Yoe High School Senior Play, "Clarence" will be presented in the school auditorium, Friday evening, May 23, at 8:30.

This a sparkling four act comedy by Booth Tarkington, of the finest type, full of fun and entertainment. The cast has been well trained and this will be one of the chief attractions of Commencement week. The following members of the Senior class will take part: Mary Sue Denson, Eloise Rogers, Frances Looney, Rosalie Baskin, Frances Morrison, Richard Vest, Emory Gunn, Tom Howell, Irvine Harlan, Perry Hairston.

J. H. THOMPSON.

J. H. Thompson, farmer of Ben Arnold, died in the Cameron Hospital Wednesday morning at 12:30, May 21, 1924.

Mr. Thompson was taken violently ill at his home and rushed to the Hospital but all efforts to save his life were futile.

The body was prepared for burial by the Green Undertaking establishment and carried to Ben Arnold for interrment.

The funeral was held this afternoon at 2 o'oclock in the Baptist church.

Mr. Thompson is survived by a wife and two daughters, both grown.

DR. JOHN R. NELSON WILL FILED FOR PROBATE.

The will of Dr. John R. Nelson, prominent Methodist preacher, who owned a large farm in Milam county located a few miles from Rogers, Texas, was filed for probate in the County Court of Milam county, Texas on the 9th day of May, 1924 His brother, Hon Walter Nelson, of Wichita Falls, Texas, is the attorney of record in the cause.

An unique feature of the filing is the photographic copy of will which was filed with the original will. This became necessary from the fact that the subscribing witness, J. Bowman Craven, Sybyl Lon Craven both live in Nashville, Tenn, and in taking the depositions of the witnesses it will be necessary for the original will to accompany the commissions for the depositions of witnesses to Nashville.

The widow of Dr. John Nelson, Mrs. Rosina Nelson, is named as executrix of the estate which is of the probable value of $30,000 and is to be held in trust by her during her life and at her death bequeathed in equal shares to their daughters, Rosina Nelson Hughes and Annette Straub with full powers to collect and reinvest to the best interest of the estate.

The application recites that Dr. John R. Nelson died on the 22nd day of April, 1924, at Memphis in the county of Shelby, State of Tenn. That deceased was an itinerant Methodist minister with no permanent domicile but residing temporarily in Memphis, Tenn. That no debts are owing by said estate and that the real and personal property belonging to said estate is of the probable value of $30,000.

MRS. O. F. HARDWOOD.

Mrs. O. F. Hardwood, nee Tidwell, for many years a resident of Milam county, having her home at Gause, died in Ben Arnold, Texas, at the home of her daughter, Mrs. Sam Rudder, Sunday May 18, 1924, at the age of 75.

Mrs. Hardwoods family were early settlers at Old Nashville and some of her people are buried on a family lot in a cemetry there which has been in existence for more than three quarters of a century.

For seaeral years, on account of her age and health, she has not maintained a home of her own but has lived with her five surviving children: Mrs. Sam Rudder of Ben Arnold, Leigh Hardwood of Gause, Mrs. Laura Tindell of Rosebud, Mrs. Minnie Garrison of Hollis, Okla., and Mrs. Loura Ditto of Faint Rock.

She was buried at Gause, Texas, Rev. C. L. White of Fort Worth Seminary, pastor of the Ben Arnold Baptist church, conducting the service.

County Clerk H. M. Roark went to Heidenheimer on Thursday evening of last week where he delivered an address before the graduating class. Thirteen years ago Mr. Roark was principal of the Heidenheimer school.

Senior Play, Friday night at 8:30 Yoe High school auditorium.

Baccalaureate Sermon, Sunday night,, May 25, First Methodist church.

Graduation Program of Grammar school Wednesday morning, May 28 10 o'clock Yoe High Auditorium.

Yoe High School Graduation Exercises, Wednesday night 8 o'clock, Yoe High Auditorium.

KINDERGARTEN PLAY.

One of the chief attractions of the Commencement season was the pageant presented by the Kindergarten, assisted by the pupils of the First Grade last Firday night in the auditorium of the Yoe High School.

These tiny tots are always greeted with appause and their programs are never disappointing.

Miss Sallie Kate McLane, who has charge of this department, understands child nature and is paintaking in her efforts to present each child at its best.

The first number, The Pagent of the Seasons, was beautifully staged and thoroughly appreciated by the entire audience.

The children were well drilled and made a charming picture in their showy costumes and graceful poses.

A Midget Wedding was another delightful number.

The Rope Drill was gracefully executed by the First Grade pupils.

MODERN REFRIGERATION PLANT BEING INSTALLED.

Walter F. Sharpe, proprietor of the Palace of Sweets, has just installed, at a cost of several thousand dollars, a modern refrigerating plant in his establishment in this city which already ranks among the finest and most up to date cold drink parlors in Central Texas.

The plant refrigerates the vaults in the rear of the building and the fountain in front, making more efficient service possible.

Mr. Sharpe is one of Cameron's most progressive young business men and is always alert and awake to modern demands.

CARD OF THANKS.

We wish to thank our friends, and especially Dr. Monroe, for the kindness shown us during the illness and death of our mother, Mrs. O. F. Hardwood. The many acts of kindness shown us, the words of smypathy, and the floral offerings merit our deepest thanks and we shall always remember all who ministered to us in this sad hour.

News of the Churches

EPISCOPAL AUXILIARY.

The Women's Auxiliay of the Episcopal church held its regular meeting Monday afternoon May 19.

Responding to an appeal for assistance, from a Japanese leper colony, an appropriation was made, to be immediately forwarded.

The afternoon's program continued the subject of our church's work in this country, and dealt first with the missionary work for deaf mutes, of whom are 2600 under our church's care; this branch of ministration was begun one hundred years ago, and met with such graeful response from the deaf mutes, the majority of whom are working in industrial plants, that only lack of financial backing has prevented its more rapid growth.

The work among foreign-born was next studied, and the fact that there are 15,000,000 people in this country, born in other lands (including 2-5 of our farmers) plainly shoyed the necessity for religious and secular education that is being undertaken in their behalf.

Next meeting's program will be devoted to Christian Social Service.

PRESBYTERIAN AUXILIARY.

Members of the Presbyterian Auxiliary enjoyed a birthday party on Monday afternoon in the palatial home of Mrs. Idella Green. A very large crowd was present to enjoy the twelfth anniversary of the Auxiliary. The parlors were made beautiful with bowls and vases of spring flowers. The program prepared and presented by more than eighteen members of the Auxiliary consisted of sketches of the church educational institutions and the church work maintained at the different State Institutions.

A series of questions and answers on the history of Pioneer Presbyterian women was enjoyed. Each quest brought a birthday offering which amounted to about twenty-five dollars. This will be used to pay the first installment of the Educational pledge to further the church Educational Campaign.

A daintily served salad plate was enjoyed.

A large birthday cake was cut and symbols awarded as follows:

Thimble, Mrs. L. Wilson.

Penny, Miss Tina Curtis of Brenham.

Nickel, Mrs. Judd Davis.

Dime, Mrs. Jewel Barmore.

Ring, Mrs. B. M. Wilburn.

METHODIST MISSIONARY.

The ladies of the Methodist Missionary Society met at the church Monday afternoon to perfect plans and rehearse parts for the final "Sisterhood' banquet to be given on Wednesday evening in the church basement.

Circle number two met with the leader Mrs. Charles Price at her home on West Main street on Monday to arrange plans for the banquet to be served to the members of the Retail Merchants Association on Thursday evening.

BAPTIST AUXILIARY.

The members of the Woman's Baptist Mission Union met on Monday afternoon in circle groups for mission study.

Circle one met with Mrs. John Dobbins. Eleven members and two visitors were present. Mrs. John Mangum led the lesson study on "The Sisterhood of the Americas." Refreshments were served and the closing hour was a social pleasure.

Circle number two met in the home of Mrs. W. A. Beal. Lesson in Royal service was led by Mrs. S. M. Burns, Sr. The attendance was not so large as usual.

Circle number three meet with Mrs. T. S. Henderson with a large quota of the membership and one guest present. The hostess led the Royal Service lesson.

Circle four met at the church with five members present. Bible study was led by Miss Lily Mag Jeter.

LOYAL WOMEN'S COUNCIL.

The Loyal Women's Council of the Christian church met Monday afternoon in the home of Mrs. J. L. Adams. A missionary program was directed by Mrs. Guy Slocomb. A silver offering was taken for Missionary work. The hostess served refreshments and a social hour was enjoyed.

Mrs. Raymond Beard, a loyal member was reported convalescing in the local hospital.

The council as recently organized has a splendid corps of officers, and meetings are held weekly at the church and once monthly the council is entertained in the home of a member, Mrs. J. L. Adams being hostess for May.

On Monday evening the Minerva Church Choir rendered a splendid program which was quite a success and the audience responded with hearty applause.

The object of this work by the choir was to raise money for song books for the church, and so graciously did the audience also respond to the free will offering, that enough money was contributed to enable the church to buy fifty books. Following is the order of the program; consisting of old familiar songs:

Old Black Joe—Foser, by Choir.

Juanita—Morton, by Mesdames Huddleston and Wilder.

Annie Yaurie—Scott, cornet solo by E. C. Cole.

Old Folks at Home—Foster, by Mrs. Wilder, Miss Gore and Choir.

Carry Me Back to Old Virginny—Bland, by Mrs. J. C. Huddleston.

It's Me, O Lord—Fisher, by Mess. Gore, Kyle, Huddleston and Cone.

Address by J. C. Wallace.

Reading by Mrs. E. C. Cole.

Piano Solo by Miss Virginia Cone.

Aloaee—Lihuoskaland, by Mesdames Huddleston and Cole, with Guitar accompaniment.

Grop Songs by Choir: (a) Nelly Grey, (b) Long, Long Ago, (c) Auld Lang Syne.

Closing Address by Rev. J. C. Huddleston.

Members of the Choir are: Misses Lucile Gore, Lydia Arthur, Elizabeth Cone, Virginia Cone, Frances Hickman, Mesdames Leslie Palmer, Lee Wallace, J. C. Wallace and R. Wilder, soprans; Mesdames L. A. Wilder, C. W. Trotter and Miss Georgie Caywood, altos; Messrs. Jack Kyle, E. C. Cole and J. C. Huddleston, tennors; B. F. Cone, H. G. Hicman and John Bore, bass.

Mrs. J. C. Huddleston, direcress.

Mrs. E. C. Cole, pianist.

Evening service will be held at All Saints Episcopal church, Friday evening, May 23, at 7:30.

Bishop Quin will preach at this service, and a cordial invitation is extended him many Cameron friends to be present.

On Saturday morning at 7:30 the Communion Service will be held.

Sunday morning the Sunday school will meet at 9:45 and Morning Prayer and sermon will be at 11 o'clock.

The Women's Auxiliary will hold its regular meeing at 4 o'clock on Monday at the rectory.

Class in Bible study will meet as planned on Wednesday evening at 8 o'clock. The subject for study is "The Acts of the Apostles."

CHRISTIAN CHURCH NOTICE.

Rev. S. K. Kregg, District Evangelist for Milam, Williamson and Burleson counties, succeeding Rev. S. L. Davis, will preach at the Christian church in Cameron at the morning and evening hours of worship, Sunday, May 24, 1924.

The public cordially invited.

EPWORTH LEAGUE ORGANIZED.

Last Sunday evening a Senior Epworth League was organized at the Methodist church. All young people between the ages of fifteen and thirty are eligible for membership. The organization started with an enrollment of 26, and the enthusiasm of this bunch of Leaguers will soon produce a much larger enrollment. The pastor is hopeful of developing here one of the very best Senior Leagues in the Texas Conference. We have the young people and they have the talent.

The following officers were elected:

President, Miss Jessie Guffey.

Vice President, Harry Tag.

Secretary, Clyde Baskin.

Treasurer, Vernon Roberts.

Corresponding Secretary, Juanita Stafford.

First Department Superintendent, Alice Covan.

Second Department Superintendent Maurine Clinton.

Third Department Superintendent, Mrs. E. V. Ferguson.

Fourth Department Superintendent Maggielue Aycock.

Epworth Era Agent, Wallace Hopkins.

SISTERHOOD BANQUET.

Monthly entertainments for the Methodist Men's Brotherhood are held during the year but it has become a May custom that this May monthly entertainment shall be called a "Sisterhood" banquet instead of a "Brotherhood" dinner.

For this annual affair the men plan and serve the menu as the ladies do for each of the other monthly entertainments throughout the year.

Wednesday evening the basement was brillinantly lighted and the tables faultlessly prepared for the annual feast. The men served the viands in the most approved style and the members of the Brotherhood were conspicuous by their presence to hear the program which the Sisterhood had prepared under the direction of the talented Mrs. R. H. McIntosh.

This being convention year and politics being rife, the occasion to disclose the aspirations and ambitions of the Sisterhood was used to advantage. Women's Rights were exaggerated after debate, argument and discussion by the ablest speakers and thinkers. Many clever personal and local take offs were enjoyed and the program was full of fun and pep and had to be heard to be fully appreciated.

NOTED LAPMAN WILL SPEAK AT M. E. CHURCH.

On next Sunday at 11 a. m. the congregation at the Methodist church will have the privilege of hearing Dr. J. W. Torbett of Marlin. Dr. Torbett is District Lay Leader of the Marlin District, and one of the leading laymen of the Texas Conference. He is nationally known in his profession, and a speaker of no mean ability, not only before medical conventions, but before church bodies as well. We extend not only an urgent invitation to the membership of this church to hear him, but especially do we invite the physicians of the city to hear Dr. Torbett.

The systemization and arganization of our Sunday school is steadily going forward. The school has recently purchased two new pianos for departmental work and the Junior and Intermediate departments have just beautified their rooms by hanging beautiful curtains and draperies. We believe we have the largest per capita contributions for Sunday School work of any school in the district and so save at all times sufficient funds to purchase all needed equipment and literature.

The workers council was attended last Friday evening by nearly every teacher and officer, and under the wise direction of the general Superintendent Roy Baskin, the work of the school was reviewed, and plans and programs for the future laid out.

Every class in school deserves special mention, but we can call attention to but a few at a time. We have a woman's class, taught by Mrs. R. H. McIntosh that has reached an attendance of ninety-five.

One of our men's classes (teacher, W. H. Triggs) has an attendance of fifty-five, and the other men's class (teacher, S. H. Hopkins) has from thirty to thirty-five in attendance. We trust that he Sunday school movement kill so continue among churches of this city that Cameron may be known far and near as the "Sunday School Town." Pastor.

"Unusual Quality"

Here is what a Brownwood lady writes about Fant's Fairy Flour:

Brownwood, Texas, May 2, 1924.

Fant Milling Company,

Sherman, Texas.

Gentlemen:

Last week, my grocer here insisted I try a sack of Fant's Fairy Flour. After he told me of its splendid qualities I decided to try a sack, and I am certainly glad I did, as I find it to be one of the finest flours, I have ever had the pleasure of using. For baking cakes, pies light bread, rolls and biscuits it is unexcelled, and I do not hesitate to recommend it to all my neighbors and friends.

Yours very truly,

DISTRICT COURT ITEMS.

The case of the State of Texas vs. Henry Rhodes charged with manufacturing intoxicating liquor, and who was convited by a jury and given one year in the penitentiary Sept. 21, 1923, and who appealed his case to to the Court of Criminal Appeals was on last Wednesday affirmed by the court. Henry Rhodes is negro and lives in the Briary community in Milam county.

The Grand Jury returned into court four indictments, three felonies and one misdemeanor, as follows:

State vs Chas. Brown, manufacturing intoxicating liquor.

State vs. D. Clayton, manslaughter.

State vs. Ruby White, aggravated assault.

The following is the report filed by the Grand Jury:

The Grand Jury empannelled and sworn for the May Term of the District court, beg to report that we have examined....., witnesses, and return herewith into Court four true bills, three felonies and one misdemeanor. We feel that our labors have been somewhat lightened in view of the fact that the Grand Jury empannelled at the January and March terms of court, preceding, have handled some matters that ordinarily would have come before us at this regular session.

We desire to thank our Sheriff, County Attorney, and the various bailiffs and other officers who have assisted us during our deliberations, and now, having completed our labors, we ask to be finally discharged.

Respectfully submitted,
J. W. COLEMAN, Foreman.
Attest—W. E. WHITE, Secy.

All the records in the case of the State of Texas vs. Dewey Gandy, charged with and convicted of manufacturing intoxicating liquors have been completed by the District Clerk and same have been filed with the Clerk of the Court of Criminal Appeals, he having appealed his case to this Court.

The following Criminal cases have been set for trial during the May term of District Court:

State vs. Frank Stach, selling intoxicating liquor, June 23rd 1924.

State vs. Charley Brown, manufacturing intoxicating liquor, June 11 1924.

State vs. George L. Souden, transporting intoxicating liquor, June 16, 1924.

Transcripts in the following cases convicted in the District Court are now being prepared by the District Clerk for the Court of Criminal Appeals, said cases having been appealed to the Court of Criminal Appeals at Austin, Texas.

State vs. Jim Brashear, manufacturing intoxicating liquor, one year.

State vs. Wesley Stevens, manufacturing intoxicating liquor, two years.

State vs. Ed. Beard, murder, five years.

State vs. Albert Krenek, manufacturing intoxicating liquor, one year.

State vs. L. A. Fuller, transporting intoxicating liquor, one year.

On May the 9th the court granted final certificate of naturalization to the following:

John Joseph Kearns, Burlington, Texas.

Frank Joe Hanel, Cameron, Texas.

Will Biskup, Cameron, Texas.

RUPTURE

EXPERT HERE.

F. H. Seeley, of Chicago and Philadelphia, the noted truss expert, will personally be at the Martin Hotel, and will remain in Temple Tuesday, only May 27. Mr. Seeley says: "The Spermatic Shiled will not only retain any case of rupture perfectly, but contracts the opening in 10 days on the average case. Being a vast advancement over all former methods—exemplifiying instantaneous effects immediately appreciable and withstanding any strain or position no matter the size or location. Large or difficult cases, or Incissional ruptures (following operations) specially solicited. This instrument received the only award in England and in Spain, producing results without surgery, injections, medical treatments or prescriptions. Warning—All cases should be cautioned against the use of any elastic or web truss with understraps, as same rest where the lump is and not where the opening is, producing complications necessitating surgical operations. Mr. Seeley has documents from the United States Government, Washington, D. C., for inspection. He will be glad to demonstrate without charge or fit them if desired. Business demands prevent stopping at any other place in this section.

In and About the Grammar School

Tedrow R Swaim.....Editor in Chief
Reba Young.....Ass't Editor

The following poems are contributed by the pupils of the seventh grade. There are some good thoughts in each of these which are the pupil's original work. Much time and pleasure has been spent in writing them and it has proved to be good school work. We, the seventh grade, hope that all who read these will enjoy them as much as the seventh grade has.

We also wish to express our appreciation to both the newspapers for their co-operation and encouragement. Their kindness to us has won our friendship and admiration and we hope that at some time, we shall be able to repay their thoughtfulness or that we shall have the opportunity to pass it on to others.

LONG, LONG AGO.

Still stands the school house by the road,
That good old Grammar school;
Here it stands, and here it stood,
Long, long ago.
That good old house is worn and old;
Its Walls are rude and stained;
But still I like to loiter here,
And think of those who were so dear
Long, long ago.
Those earnest teachers who'll ne'er grow old
With their noble minds and their hearts of gold,
The joy of a life filled with righteousness,
They will teach to others as they taught to us
Long, long ago.
They toil in this school from morn till night,
To make us learn to do the right.
They taught us the lessons that each must learn,
If a place of fame we hope to earn.
Long, long ago.

LOUISE SUSTEK.

THE LAST DAY OF SCHOOL.

Soon will come vacation,
Oh, how happy we shall be;
A word that needs no explanation
For its joy we clearly see.
We hate to leave our teachers
Our help that pulled us through
Although sometimes like preachers
They have preached our funerals too.
School is drawing to a close
But there'll be no use to pout.
When we get reports that show
That our work was "down and out."
We should realize the ending
Of this term we love so dear
To succeed we were intending
And we did our best this year.
So when all our work is over
And our cards are handed out
Some will take them with a murmur
Others seize them with a shout.

PEARL INGRAM.

SPRING.

Spring is here, spring is here,
With its happy days of cheer,
When the happy birds will sing,
And the trees and grass are green,
But the prettiest scene of all,
Is the river with its falls,
Or its slowly flowing tide,
O'er the sandy valleys wide.
For away in silence still,
Comes the cry of "Whip-poor-will"
Calling to her loved ones dear,
Flitting in the wood lands near.
Then the sun will slowly fall,
And the stars both great and small
Come a peepin through the sky,
To tell us that the night is nigh.

ALLENA MADDOX.

A KIND HEART.

Always have a kind and noble heart,
In gladness forever do your part;
Help others in their time of need
And daily do a noble deed.
Never stop, just keep on going,
Of you love seed keep on sowing.
Though others fail, it does not matter,
If your love seed you freely scatter.
Still onward through life you must go,
Through morning forst and evening snow.
But don't forget, as through life you start
To have a kind and noble heart,
For things that are briars along our way
Will bring forth roses of joy some day.

GRACIE BEACHOM.

WHAT IS SCHOOL?

What is school? It is not
Just a friendly knowledge spot,
Walled with stone and roofed with sun,
Where the days pass one by one,
Not too fast and not too slow,
Looking forward as we go
At the beauties yet untold
To support the mind and soul?
As the school begins today
Let each eager student say
Opportunity's in this place.
Here we meet him face to face.
In the loneliness of the wall,
Within the bounds of studdy hall
He opens wide the knowledge gate
Let us enter 'er 'tis too late.

LOIS RANDOLPH.

SCHOOL.

There is a school house on a hill.
With knowledge-seekers it is filled,
Voices merry and laughter gay
Can be heard about its walks each day
Altho to our studies and teachers we're attached
Every minute of play time is gratefully snatched
For what is school without play?
And what are studies but to pass off the day?
Altho in ignorance we may be
Of many things we cannot see,
The grown up folks who are so wise
Say our merits will surely be recognized.
"Mid terms" and "finals" will soon be passed
And vacation days will come at last.
Some will go to high school,
But some will remain
To see that the next seventh
Grade is taught just the same.

OLETA REESE.

TO THE DECLAIMERS.

On Friday last
A throug quite vast
Assembled to hear our declamers
They quoted from Guest
And I can't name the rest
But from all of our best word framers.
Of the thrity-nine
Who spoke in rhyme
and prose, for the took it all in
Four were chosen best
and the disappointed rest
Looked around for a hole to fall in.
On that final day
When you wend your way
To Rockdale, to speak for the prize
Stand straight on your feet
And you'll never be beat
And will make them all open their eyes.

SUE GRIFFIN WEBB.

BEFORE AND AFTER SCHOOL.

Schoolward bound we walk along,
Never a hop or a skip or a song.
Always sullen and dark and drear,
Thinking of undone lessons with fear.
But to the teacher we wust say,
"I was sick, or some delay
Has caused my unfinished lesson today."
So with this excuse,
We might be let loose
After school in the evening.
Homeward bound we go,
Skipping to and fro;
Our hearts are merry,
Our minds are free;
From the doors of school we gladly flee,
After school in the evening.

HAZEL FREEMAN.

SCHOOL DAYS.

My wish is not to go to school,
But stay at home each day,
And get out in the hay field
And play ball in the hay.
I'd go to town for mother
And read aloud to aunt
But I have to go to school
Because I hate to say, "I can't."
The first thing is arithmetic
Mr. Sterling knows the rules,
And tries to teach this subject
To three grades in the school.
Miss Jackson teaches geography
About countries near and far,
And I wonder how she learns so much
Without being a brilliant star.
Mr. Newton teaches us history,
We learn about battles too,
And how some great men surredered,
And how some fought battles thru.
Miss Olive teaches reading, and
Good work we have each day,
For on Fridays we have stories
If that is what we say.
Then comes our grammar class,
To learn the parts of speech
To learn about those gerunds
And participles each.
Mrs. Robbins is our teacher
And a good one at that
But we must make good grades
Or she will fail us flat .
The last thing in the evening
Comes writing I must say,
And in walks Miss Gibson
And teaches the correct way.
Sometimes I wisn we didn't have
A thing such as a school,
So I could have a good time,
And not worry over rules.

IRENE SHIRLEY.

APRIL.

The first of April some do say
From ancient times is all Fools Day
But why they choose to call it so,
Not I nor they themselves do know.
'Tis then the noisy winds are still,
For April's coming up the hill;
And she's bringing Spring with her,
The time to lay aside our furs;
The time when birds begin their songs,
The time when showers come along
When sudden sunshine and a sky of blue
Pass April's greetings on to you.
Again we hear the black bird sing,
And butterflies are on the wing;
The English sparrows chirp and cheep
The brooks have wakened from their sleep,
And everything both far and near
Is telling us that April's here.

FARMERS • Come Where Farming Pays!

South Plains • the New, Proven Cotton Country

Here's what the folks of Halsell Farms in the heart of the wonderful South Plains of Texas are enjoying:—

Rich soil that raises ¼ to ½ bale and more of cotton to the acre. Farmers who have been raising cotton here for three years can show this as an average. Many have done much better. But cotton is not your *only* crop—corn, alfalfa, wheat and other crops are being grown here profitably and it is one of the best cattle and hog sections to be had anywhere. No boll weevil. Ideal climate—winters and summers temperate. Plenty of good water. Good schools and churches. Good transportation facilities. A ready market for crops and livestock—and profits!

$25 An Acre—*A low price on this land* where farming really pays. No more than rent would cost you elsewhere—and 15 years to pay. Settlers here are satisfied. And they are real farmers who know good soil and good opportunities. Over 200 farmers who are making homes here see prosperity ahead. Halsell Farms are situated around Amherst, Texas, on the Santa Fe Railroad.

Write for Full Particulars

Land is selling fast in this new, proven cotton country. The time for action is NOW! Honest efforts and the rich lands of Halsell Farms will put you ahead. Investigate at once—write today for full particulars.

PETER CO. A LEADING FACTOR IN PRODUCE INDUSTRY IN COUNTY

Country produce a decade ago an obscure industry in Milam county has found its rightful place among the important sources of commercial activity and today yields annually a monumental sum of money to the farmers, supplying the arteries of trade with financial stimulation in increasing volume.

So important has become this industry that it is rapidly assuming proportions of commercial dependance and it is predicted that within the next few years will rival agriculture and livestock as a source of income and can be depended upon to bolster finances in the lean years of short crops and low prices. Always a ready commodity on the markets its cash contribution swelling the volume of clearings in the commercial marts.

Chief among the contributing factors in the encouragement of this industry of the farm has been the produce houses, bringing for the first time in the history of the country good markets and a ready facility for handling the volume annually seeking its way to the centers of consumption. Cameron and Milam county have been fortunate in the evolution of this industry because here is maintained a good market all the year round and stimulates the farmers to respond to this market source of revenue with increasing annual sales.

With its great market advantages, organization, capital and handling facilities the Peter Produce Company of Cameron has become the leading produce buying agency in central Texas and thereby the prime factor in growth and development of this industry.

The Peter Produce Company was established in Cameron as a branch of the industry at Giddings in 1920 and from that time the volume of produce marketed in Cameron has increased from year to year until today the city numbers this business among its secure and regularly contributing factors in the great annual total of business transacted. This industry is one of vision, seeing early the advantages of this county and Cameron as a market center. By capitalizing upon these opportunities it has not only increased its influence as a commercial factor but has brought a condition of prosperity to the farmers and in turn aided the commercial interests of Cameron.

The establishment of the branch in Cameron brought to the city its first market of wide dominion, enabling the farmers to receive at all times such prices as were authorized by quotations in the great centers of consumption, giving them the advantage of equasion of the law of supply and demand and in this way every pound of produce marketed here has been valued and purchased at honest prices plus adaquate facilities for handling. By reason of this good market the products of the farm aside from agriculture and properly known as produce, such as chickens, turkeys, eggs, etc., have found a ready movement. At no time since the coming of this company to Cameron has there been a condition of stagnation but a ready sale has been made of all produce and the result has been an even distribution and an orderly process of marketing.

Prior to the establishment of the Peter Produce in Cameron the market advantages were confined to the facilities afforded by retail merchants who did not command the position in the market of the country as does the Peter Company. The movement of the produce of the farm therefore progressed under a handicap and the stimulation was not great enough to bring the industry to its rightful place as a great money crop for the farm aside from the sale of agricultural products.

As a source of food supply the produce industry of the farm has come to be a powerful contribution in the country. One of the decided advantage of Cameron's produce market today is its facilities for handling a large volume. By reason of these facilities the farmers are encouraged to produce chickens, Turkeys and eggs on a large scale for they are assured in advance of a ready market and there is no fear of an over supply.

The Peter Company maintains in Cameron a packing plant second to none in Central Texas. In its warehouse and yards is ample room to receive all the produce brought in even in the busy period of the market when thousands of turkeys and chickens are brought in each day. The Company has storage facilities and railroad cars for shipment to the centers of consumption. In season this business is a hive of activity and the results are always favorably shown in increased bank deposits.

The Peter Produce Company is managed by Mr. E. V. Ferguson who is a wide awake produce man, commanding perfect knowledge of the business and by reason of this is able to give the farmers the best possible advantages such as an industry of this kind affords. Prior to his residence in Cameron Mr. Ferguson was in New York and there his experience was such as to afford him opportunities that come to few men now engaged in the produce business.

Mr. Ferguson has been untiring in his efforts to promote the produce business on the farm and to encourage the farmers to raise turkeys, chickens and produce eggs in larger volumes. Not only does this mean an increased trade opportunity for the company but there is the greater possibility of an increased condition of stability of finances among these people. The farmers have not been lacking in proper encouragement since this Company came to Cameron and the city is proud to number it among its chief enterprises of benefit to the county.

Mr. Ferguson is a director in the Commercial Club and prominent member and co-organizer of the Lion's Club. He is an enthusiastic golf man and he has been instrumental in creating sentiment toward this important civic move. It is believed the city will undertake to establish a golf course in the near future due to the efforts of Mr. Ferguson and others.

From practical obscurity the produce business has become one of tremendous importance to Cameron annually bringing to the trade channels upwards of $250,000 and increasing every year, thanks to the Peter Produce Company in its encouragemen of the farmers to improve their condition.

NOTICE IN PROBATE.

THE STATE OF TEXAS
To the Sheriff or any Constable of Milam County—GREETING:

You are hereby commanded to cause to be published once each week for a period ten days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Milam county, a copy of the following notice:

THE STATE OF TEXAS

To all persons interested in the estate of Texana Rucker, deceased, W. S. Reed and V. E. H. Reed have filed an application in the County Court of Milam County, on the 13th day of May 1924, for probate of the last will and testament of Texana Rucker, deceased which said application will be heard by said Court on the 2nd day of June 1924, at the Court House of said County, in Cameron, at which time all persons interested in said estate are required to appear and answer said application, should they desire to do so.

Herein Fail Not, but have you before said Court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal, at Cameron this 13th day of May 1924.

SAGE TEA KEEPS YOUR HAIR DARK

When Mixed With Sulphur It Brings Back Its Beautiful Lustre At Once

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

NEW ESSEX DOULES SALES FIGURES OVER LAST YEAR'S MARK.

Twice as many Essex cars are now being sold than last year, according to information reaching Mr. Horstmann dealer for Hudson-Essex cars. This word from the Hudson Motor Car Co., deaclares the new Essex six is meeting the most enthusiastic reception of any car ever sponsored by Hudson.

The schedules of production for the Essex six were originally set at twice the number of cars made in 1923, but these schedules have proved too small, it is declared, and the Hudson Motor Car Co. is now bending every effort to produce every Essex six possible in its plant.

"I believe this is because the new Essex has proved that it will actually out-perform the old 'four,' famous as that car was," declares Mr. Harstmann. "The new Essex is smoother, quieter, more economical by far, a better climber, and faster in pisk-up. In every day usefulness it is a far superior product.

"This fact has actually surprised me considering the price reduction. It has only been possible because the Hudson engineers have found a way to produce extraordinary performing results by new methods at reduced costs.

"A good many of our Essex 'four' owners thought they had the finest car in the world for performance and endurance. They were a most loyal and enthusiastic body of owners. But we can show even them that the new Essex six is an advancement.

"With spring here, we look for the customary rush of motor car purchasers. Because our specilty in enclosed cars we have sold steadily thru the winter and we have been unable to lay up an excess stock. We are calling to the Factory for every car we can get, and we shall make every effort to supply our purchasers with prompt deliveries both in the Hudson and in the immensely popular new Essex six.

"There is every reason for a motor car buyer to get his order in immediately. Delay may simply mean that he will have to wait for the car he wants most. No man is ever actually satisfied with a second choice. That is why we urge acting now."

CONVICTION IN TEXAS TEXAS IS UPHELD.

Houston, May 17.—Judge Ewing Boyd shortly after noon today overruled lengthy objections entered by defense and granted an injunction preventing the name of James E. Ferguson, former Governor, from being placed on the ballot in the primary election. Ferguson seeks the gubernatorial nomination.

The State Democratic executive committee was instructed to not place Ferguson's name on the ticket.

The decision came shortly after Judge W. G. Love had argued at some length as to the different points which, he set forth, made Ferguson's impeachment void.

Are often signs of failing kidneys
And too serious to be neglected.
Get rid of these troubles!
Use Doan's Pills—a stimulant diuretic to the kidneys.

Hosts of people recommend Doan's.
This is a Cameron case.
You can verify it.

Melvin Weems, E. Second St., says: "Whenever I took cold or when there was a sudden change in the weather my kidneys bothered me by acting too freely. There was a sediment in the secretions and they smarted and burned in passage. My back got so lame, the muscles all through it were sore. The doctor told be to take Doan's Pills and they cured me. My kidneys have been strong since then."

What is a home?

A log cabin in the clearing, a sod house on the prairie, if so be it holds peace and contentment for those who dwell therein.

In the ancient picture-writing of China the symbols representing a woman and a child when combined make the character that means "Good." With two strokes of his brush making a roof over his woman and child, the Chinese writer draws the character "home."

What is home?

Man, woman, children—those three—and contentment.

The perfect home holds all of these in ties that no outward force can break. It is the mirror of the souls of those who live in it. It reflects in its outward presence and its inward spirit the tastes, the aspirations, the character of those who have made it a home.

The spirit of home needs no palace for its domocile. From the hearthstone of the humblest human habitation there may radiate such a message of comfort and good will as to draw friends irresistibly across its threshold.

MAKING MISTAKES.

When a plumber makes a mistake he charges twice for it.

When a lawyer makes a mistake, it is just what he wanted, because he has a chance to try the case all over again.

When carpenter makes a mistake, it is just what he expected.

When a doctor makes a mistake, he buries it.

When a judge makes a mistake, it becomes the law of the land.

When the preacher makes a mistake, nobody knows the difference.

But when an editor makes a mistake—Good night!

BE STILL.

Life today is a mad, wild rush. This busy, busling age is so set on doing thing that we scarcely have time to eat or sleep, much less rest or think, consequently many are old before their time, grow weary of the strife, and occasionally put an end to it all. And slow suicide accomplishes the same end as razors, pistols and poison. But we have no right to destroy it instantly.

And the restless rush of the day counts against us spiritually as well as physically. Of course, He is present everywhere, but we feel Him more plainly and feel Him more sensibly in the quite of the closet than in the stir of the street. Therefor for the body's sake, for the mind's sake, and for the soul's sake, sit down and think whence you came, what you are, and whether you are bound.

"Be still and know that I am God."—Ps. 46:10—Daniel J. Currie, in Fresbyterian Standard.

BE A BOOSTER.

Be a booster—like a rooster—always crowing loud and long; keep a yelling what you're selling—put some pepper in your song. If you're tired, go get fired—hunt a job you think will suit you; either like it or else hike it somewhere else before we shoot you. Be a getter—times are better for the man that packs a smile; take your licking or quit your kicking—dig right in and make your pile. The war is over and there's clover in the pastures all around; its not waiting or debating, but making hay out of the ground. Watch it growing—always showing lots of blossoms—its alive—if you're a dead one, go use a lead gun—drones ain't wanted in this hive. Be a doing—quit your stewing—get a move on, grab some kale; don't let your head get feeling dead yet—sweat and smile and you can't fail.—Calome (Ariz.) Sun.

THE SOLE DOCTOR.

"It's the Sole of the people I keep in view,
For I am the doctor of Boot and Shoe;
And I serve the living and not the dead,
With the best of leather, wax, nails and thread.
I can sew on a sole or nail it fast
And do a good job, and make it last.
There is nothing said about what I can do—
Doubt not my statement for work proves it true
I can give you a lift too in this life—
Not only you but your family and wife.
A great many patients come to my door,
Worn out and run down, besides feeling sore;
Though I don't use poultices, plaster or pill,
I cure all sick shoes no matter how ill."

The Legislatsve History of the Commission

By WALTER SPLAWN
Railroad Commissioner of Texas.

The most important allition which has been made to this law approved by the Governor in April, 1891 is the so called Stock and Bond Law. The Stock and Bond Law was enacted two years after the commission law and was approved by the Governor on April 5, 1893. The new commission was confronted in the outset by the most stubborn oppotition. The Governor's political enemies made common cause with the railroad interests in seeking his defeat. The Governor and his friends did not stop with a defense of the commission but challenged its critics with the proposal to so strengthen it as to render futile the oppoistion and efforts at avasion by any recalcitrant railroad Their porp osalawemfwypupupt road. Their proposal was trict control through the commission of the issue of all securities by railroad companies.

It was argued that the railroad stocks were greatly watered, that bonds had been issued beyond reason, that the capitalibation was more than double the amount invested in the roads, that the roads put out $40,000,000 of securities in 1891 as against an average of $20,000,000 for the seven years preceding. It was argued that all this was for the purpose of making it appear that higher rates were necessary in order to meet fixed charges and pay reasonable dividends. The state administration, which had passed the commission law, was endoorsed at the polls, and was able to secure the enactment of the law limiting the issue of stocks and bonds by railroad companies. A number of modifications of minor importance have been made in the law, usually upon recommendation of the commission. The commission was one of the strongest factors in bringing about the enactment of an effective law againt the granting of free passes of the railroads, which was passed in 1907. This skenth is sufficient to show how the people of Texas came to desire a Railroad Commission and how and when they obtained it.

FORD JOINS NEFF IN DECLINING HEAD UNIVERSITY.

Austin, May 17.—There has been no further meeting of the University of Texas board of regents called to consider the presidency, since it was learned here tdoay that Dr. Guy Stanton Ford of the University of Minnesota declined the appointment tendered him yesterday, it was stated by H. A. Wroe, member of the board. Dr. Ford's telegram declining the office is understood to have been sent to Lutcher Stark, chairman of the board at Orange.

After the board yesterday elected Governor Neff to the university presidency and received his declination a few minutes later then tendered the appointment to Dr. Ford, only to have him refuse it today, the regents are expected to either turn Dr. Herbert Eugene Bolton, of the University of California, who was given consideration or possibly to wait until after the close of Governor Neff's term of office, next January and again invite him to the presidency.

The next regular meeting of the board is scheduled for the middle of June.

WHAT WILL YOU BE DOING IN 1933?

The wheels of commerce are humming as they never did before. Every time this wheel revolves, some one is making a right start toward making a success, while others, day by day, hour by hour, wait to see the man who has the will power and determination to get an education, make good. It depends upon you, as a citizen, what you will be doing in 1933.

The average young person is not rich in money but is rich in time and opportunities. A day to the boy or girl from sixteen to twenty-five years of age is worth a month of time to your father. This properly invested now will earn dividends the rest of your life. You are not going to waste your time waiting for something to turn up, but you will turn up something worth while. This can be done successfully through a business education. It will assure you a good salary twelve months in the year, and there is no limit in promotion in rank and salary, after completion of our General Secretarial, General Business, General Banking, General Railroad, Bookkeeping, Shorthand, Telegraphy, Civil Service, Radio, Penmanship, Western Union course.

The merit of our courses is proven by the fact that we are the largest business training school in America, with an average of 3000 enrollments annually for the last five years and 30,000 graduates now holding good positions at splendid salaries or in business for themselves. Just think, two months' salary after graduating with us will cover the expenses of the course.

We can save you $50 on any course. We secure positions for our graduates. Fill in the coupon below and mail it to us for our free book, "Achieving Success in Business," which contains full information concerning our school, the work we are doing and the success of our graduates.

"IT'S A SMALL WORLD," DR. WM. T. ELLIS, FAMOUS WRITER, SAYS SO.

One of the rewards a war correspondent receives for Chautauqua lecturing is that he meets up with so many ex-service men whom he knew in France. Dr. Wm. T. Ellis tells of his encounter, two summers ago, in a tiny island off the Maine coast, with an ex-officer who had once succored and fed him in the remotest part of the devastated area in France. He adds: "Last year I was in Sofia, the capital of Bulgaria, on a Saturday Evening Post assignment. There I was introduced to an American nurse, who greeted me with, 'Weren't you in Roumania in 1917?,"

"'Yes, I was.'

"'Didn't you land at the American Red Cross hospital at Roman, one night about one o'clock, on a trip back from the trenches, drenched to the skin and full of cold and half-starved, and the night nurse let you in?'

"'Right-O.'—fervently.

"'Well I was that nurse!'

"Probably, I'll meet in Oklahoma some American with whom I went ariplaining over France; or a Yankee with whom I dodged Bolshevik bullets in Petrograd; or even the queer American exile who, in pre-war days, lived native-fashion with the Bedouin down Bagdad way. 'Ain't the world a small place, anyway?'"

Drink Water If Back or Kidneys Hurt

Begin Taking Salts if You Feel Backachy or Have Bladder Weakness

Too much rich food forms acids which excite and overwork the kidneys in their efforts to filter it from the system. Flush the kidneys occasionally to relieve them like you relieve the bowels, removing acids, waste and poison, else you may feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, the stomach sours, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, the channels often get irritated, obliging one to get up two or three times during the night.

To help neutralize these irritating acids and flush off the body's poisonous waste, begin drinking water. Also get about four ounces of Jad Salts from any pharmacy, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine and bladder disorders disappear.

This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive and makes a delightful effervescent lithia-water drink which millions of men and women take now and then to help prevent serious kidney and bladder disorders.

By all means, drink lots of good water every day. Have your physician examine your kidneys at least twice a year.

Dull, Sluggish Feeling

"BLACK-DRAUGHT is our household stand-by," says Mrs. Thomas H. Kell, who lives near Ellijay, Ga. "We have been using it years and years. My mother's family used it, and we do here and my four sisters do, too.

"I could not run my house without Black-Draught. I give it to the children whenever they need a purgative, and both Mr. Kell and myself take it. As a medicine for sluggish liver and headache, and the ills that come with constipation, Black-Draught is fine.

"Lots of times I have felt dull and sluggish, my head would ache and I had to make a great effort to do my work. A little dose of Black-Draught would correct this feeling. We always keep it on the medicine shelf."

Be sure that you get Thedford's, the old, reliable Black-Draught powdered herb liver medicine. At all dealers'.

SPOILED by filthy flies!

HIDEOUS and vicious germs are swarming over the food a fly has just left. They infest the milk a fly has touched. You can't see them with your eye. But a microscope would show them to you in all their death dealing power.

Food touched by a single fly is spoiled! Throw it away. Better still, get rid of flies. This is the only way to be sure that the food you have prepared is clean.

Fly-Flu will do this for you. Spray a room with Fly-Flu and *all* germ carrying insects are finished! Papers, powders, swatters and other preparations kill some flies. Fly-Flu, properly used, kills *all* the flies and other insects.

Best of all, Fly-Flu is harmless to plants and humans. It is an excellent deodorant, does not stain or damage food supplies, draperies or wall paper.

BAYLOR UNIVERSITY TO HAVE DAILY PAPER.

Waco, Texas, May 19.—By a unanimous vote, students of Baylor University voted Wednesday to establish a daily newspaper on the campus, to replace the semi-weekly Lariat, present university publication, which will give the state of Texas its second daily college publication. The other college daily is at the University of Texas.

Talks in favor of the plan were the team came to the speakers platform to endorse a daily newspaper for Baylor.

"We whipped them (University of Texas) and we can whip them in journalism," one speaker said, and the crowd, jubilant over the defeat of the haugthy Longhorns, shouted wildly.

The Baylor student body will be given the daily newspaper at a cost of 25 cents per student, per quarter. The daily Lariat will make its appearance on the Baylor University campus next September.

Senate Overrides Measure 59 to 26

Washington, May 19.—An eleventh-hour drive from the White House fell short of its mark and the soldier bonus bill, the football of two Congresses, has become a law, the Senate overriding the President's veto by a vote of 59 to 26.

In a second trip through the Senate the bill drew the support of thirty Republicans, including many staunch administration followers, twenty-seven Democrats and the two Farmer Laborites. Voting to uphold the President's veto were seventeen Republicans and nine Democrats. Eleven were absent. Three more votes against the bill would have killed it.

The action by the Senate Monday came suddenly and the quick decision was made in a dramatic atmosphere. Because of the President's success in winning over four out of seven indecisive Senators at a breakfast conference at the White House Monday morning, it had been held that his supporters would try to delay action on the bill, in the hope of winning others.

A single effort at delay was made when the bill was called up, Senator Reed of Pennsylvania asking unanimous consent for postponement of a vote until Saturday. This was objected to by Senator Ashurst (Dem.) of Arizona. Both Senator Curtis, Republican whip, and Senator Robinson, Democratic floor leader, then said they thought that most Senators had made up their minds, and, while cries of "Vote! Vote!" resounded through the chamber, President Cummins ordered a roll call.

There was great tension on the floor and in the packed galleries as the roll was called, as the out-come was in doubt all the way. A roar of applause from the galleries, taken up by several Senators on the floor, came when Cummins announced that the bill had passed over the veto. There were shouts of laughter from the Democratic side when Cummins announced that the sergeant at arms would clear the galleries if the confusion did not subside.

Many in the gallery who did not hear the last part of Cummins' admonition began to rise to go out. They were joined by a majority of others in the gallery, who realized that the show was over as the Senate settled down to humdrum consideration of the Gooding railroad bill.

The roll call follows:

To override the veto:

Republicans — Brandegee, Bookhart, Bursum, Cameron, Capper, Cummins, Curtis, Dale, Elkins, Fess, Frazier, Gooding, Hale, Harreld, Howell, Johnson of California, Jones of Washington, Ladd, Lenroot, Lodge, McLean, McNary, Norbeck, Norris, Oddie, Shortridge, Spencer, Stanfield, Warren and Willis—30.

Democrats — Adams, Broussard, Ashurst, Caraway, Copeland, Dill, Ferris, Fletcher, George Gerry, Harris, Heflin, Jones of New Mexico, Kendrick, McKellar, Mayfield, Neely, Overman, Pittman, Ralston, Robinson, Sheppard, Simmons, Smith, Trammell, Walsh of Montana and Wheeler—27.

Farmer-Labor — Johnson of Minnesota, Shipstead—2.

Against overriding the veto:

Republicans—Ball, Borah, Colt, Edge, Ernst, Fernald, Greene, McKinley, Keyes, Moses, Pepper, Reed of Pennsylvania, Phipps, Smoot, Sterling Wadsworth Weller—17.

Democrats—Bayard, Bruce, Dial, Edwards, Glass, King, Shields, Swan, Underwood—9.

Total—26.

TRIBUTE TO EDWARD A. FLINN.

Heavener, Okla., May 12, 1924.

To the Cameron Herald:

I read this day in your paper of the passing of a good man: Edward A. Flinn. I was his pastor for over three years at Little River church in your County, and all that was said in your paper is true, and more.

Ed. Flinn was a dependable Deacon, a firm friend, a lover of good men, a consecrated, conscientious citizen. I never heard him speak ill of any man or woman. He was constructive in all his criticism and never destructive.

I will say of him as was said of the passing of Gen. John B. Gordon: "He has gone home."

In business he was always just, striving to do to others as he desired them to do to him. In his home, he was the true husband, the good father, devoted to his sister, to his borther, and to his brother's family. As a neighbor, he was the best. As a host he was ever considerate of the wants of his guest. He knew the meaning of true hospitality.

His clay lies dormant in Cameron Cemetery, and doubtless a marble shaft will be erected and words of commendation will be carved thereon, but he has already impressed on human hearts, a life which is more enduring than marble or bronze. Requiescit in pace.

There is a stream whose narrow tide
The known and unknown world divide
Where all must go.
Its waveless waters, dark and deep,
Mid sullen silence downward sweep,
With noiseless flow.
I saw when at that dreary flood
A smiling infant prattling stood,
Whose hour had come.
Untaught of ill, it neared the tide,
Sank, as to cradle rest, and died
Like going home.
Followe with languid eye, anon,
A youth diseased and pale and wan,
Whose time had come.
He gazed upon that leaden stream;
I saw him plunge, I heard a scream,
And he was gone.
And next, a form in manhood's strength,
Came bustling on, till there at length
He saw life's bound.
To heaven he raised his bitter prayer,
Too late, his shriek of wild dispair
The watters drowned.
I saw when to that stream again
Another child of mortal man
With smiles drew near.
"Tis the last pang," he calmly said.
"To me, O Death, Thou hast no dread."
"Saviour, I come."
"Spread but Thine arms on yonder shore."
"I see ; ye waters, bear me o'er,
"There is my home."

His brother in Christ.

EXPERT HERE.

F. H. Seeley, of Chicago and Philadelphia, the noted truss expert, will personally be at the Martin Hotel, and will remain in Temple Tuesday, only May 27. Mr. Seeley says: "The Spermatic Shiled will not only retain any case of rupture perfectly, but contracts the opening in 10 days on the average case. Being a vast advancement over all former methods—exemplifying instantaneous effects immediately appreciable and withstanding any strain or position no matter the size or location. Large or difficult cases, or Incissional ruptures (following operations) specially solicited. This instrument received the only award in England and in Spain, producing results without surgery, injections, medical treatments or prescriptions. Warning—All cases should be cautioned against the use of any elastic or web truss with understraps, as same rest where the lump is and not where the opening is, producing complications necessitating surgical operations. Mr. Seeley has documents from the United States Government, Washington, D. C., for inspection. He will be glad to demonstrate without charge or fit them if desired. Business demands prevent stopping at any other place in this section.

P. S.—Every statement in this notice has been verified before the Federal and State Courts—F. H. Seeley.
